**You can now pay local  
section dues and meeting  
fees via credit card!**

Responding to numerous requests, the Philadelphia Section AIHA is testing out PayPal's credit card acceptance service for payment of local section dues and meeting fees.

For 2006-2007 dues, you will be asked to indicate on your application that you wish to pay via credit card. When your form is received, you will be sent an e-mail, linking you to the PayPal web site.

In the future, we anticipate a payment link directly on the web site or in the monthly newsletter to allow payment for meetings.

To help defray the cost of credit card processing, we are adding a small "convenience" fee to each credit card transaction.

We're interested in your opinion on this new service... please let us know what you think.
