Philadelphia Section AIHA Local Section News

Welcome Back! September, 2006 Meeting: Networking/Social Event **FREE for Philadelphia AIHA Members*!**

Welcome back! Now that Summer is nearly over, it's time to start our 2006-2007 meeting schedule.

To kick off the new year, we're planning a networking get-together, with an introduction to your new local section officers, at Maggiano's Little Italy Restaurant in King Of Prussia, PA on Tuesday, September 12th.

As with last year's first meeting, this meeting will be FREE to the first 50 local section members who pay their 2006-2007 section dues by Wednesday, September 6th.

The Philadelphia Section AIHA will be experimenting with allowing members to use credit cards to pay local section dues and meeting fees. See page 4 for additional details.

**This meeting is made possible by
Compliance Management,
International.**

**You can now pay local
section dues and meeting
fees via credit card!**

Responding to numerous requests, the Philadelphia Section AIHA is testing out PayPal's credit card acceptance service for payment of local section dues and meeting fees.

For 2006-2007 dues, you will be asked to indicate on your application that you wish to pay via credit card. When your form is received, you will be sent an e-mail, linking you to the PayPal web site.

In the future, we anticipate a payment link directly on the web site or in the monthly newsletter to allow payment for meetings.

To help defray the cost of credit card processing, we are adding a small "convenience" fee to each credit card transaction.

We're interested in your opinion on this new service... please let us know what you think.

Your Essential Connection

The American Industrial Hygiene Association (AIHA) is "the essential source" for information on Occupational and Environmental Health and Safety issues.

Founded in 1939, AIHA is an organization of more than 12,000 professional members dedicated to the anticipation, recognition, evaluation, and control of environmental factors arising in or from the workplace that may result in injury, illness, impairment, or affect the well-being of workers and members of the community. Established in 1947, the Philadelphia Section AIHA serves the area's health and safety professionals, providing a forum in which to learn and exchange ideas.
